Norwich, Connecticut 06360**

**ASBESTOS NOTIFICATION**

The Norwich Public Schools has developed an asbestos management plan, concerning the presence or suspected presence of asbestos-type materials within district school buildings, and required inspections and preventive measures related thereto. In accordance with federal law, members of the public, including parents, teachers and other employees, shall be permitted access to the asbestos management plan of the Norwich Public Schools. Upon request, the district shall permit members of the public, including parents, teachers and other employees, to inspect any asbestos management plan. The Norwich Public Schools shall grant access to such management plans within a reasonable period of time after a request from a member of the public is received.

This notification was given in accordance with State of Connecticut “Asbestos in Schools” regulations and federal AHERA regulations by this facility’s....
