

Community Relations

School Directory of Personnel

Any school may develop a school employee personnel directory for external distribution subject to the following conditions:

1. The school employee personnel directory will be distributed only to those governmental agencies and other school-related parties, which have been authorized by the Superintendent.
2. Under no circumstances will the school employee personnel directory be distributed for political or commercial use.
3. A school developing an employee directory for external distribution will provide employees with an opportunity to object to having personal contact information listed within the directory.
