

Community Relations

Visits to the Schools

The Board of Education and staff of the school district welcome and strongly encourage members of the community and other interested persons to visit the schools.

The Superintendent of schools is authorized to establish such regulations as will:

1. Encourage visitors to observe our schools.
2. Require all visitors to register in the office of the Principal upon their arrival at the school.
3. Ensure that such visits will enhance the effect of the educational program rather than hinder it.
4. Provide for appropriate hospitality for visitors.
5. Provide for proper order and prevent disruption to the educational process.

Board Member Visits

Board of Education members who visit schools of their own volition have no more authority than any other citizen. Board members have authority only in regularly called meetings of the Board, or when delegated specific tasks by Board action.
