

Community Relations

Smoke Free Environment

Student

There shall be no smoking or any other use of tobacco by students in any school building or school vehicle at any time, or on any school grounds under the control of the Board of Education, or at any time when the student is subject to the supervision of designated school personnel, including but not limited to when the student is at any school function, extracurricular event, field trip, or school related activity such as a work-study program.

An ongoing program of student support and counseling will be offered to provide support for students who wish to break the smoking habit.

Staff and Public

There shall be no smoking in any school building or school vehicle at any time, or on any school grounds under the control of the Board of Education. There shall be no smoking at any school function, extracurricular event, field trip, or school related activity. At the discretion of the administration a program of staff support and counseling will be offered to provide support for any staff member who wishes to break the smoking habit.
