

Administration

Representative and Deliberative Groups

The Board of Education encourages the Superintendent and administrative staff to create and maintain appropriate mechanisms such as councils, cabinets and committees to

- 1) foster good communications within the staff;
- 2) allow each member of the staff to have a voice in the development of policies and in the making of decisions affecting them; and
- 3) establish reasonable and easily used avenues of communication for the public, the pupils and the school system staff.
