Health Examination

Chest X-ray or Intradermal Test

All employees upon initial employment shall present evidence of having submitted to examination (chest x-ray, skin test, or other tests designated as acceptable by the health department) to determine that they are free of active tuberculosis prior to commencing service and every four (4) years thereafter or more often if directed by the Board of Education upon recommendation of the local health officer.

The Superintendent may require a medical examination of any non-certified employee whenever the Superintendent has grounds to believe that the performance of the employee is adversely affected by illness of any kind.
